## References

Most of the graphics in this book were originally taken from our magazine INGRAPHICS, which appeared ten times between 2010 and 2017 and contains more than 300 infographics. Many of these graphics have been extensively updated or completely redesigned whenever possible. The magazines are now only available in small quantities. Please send an email to: [shop@sapera.de](mailto:shop@sapera.de)

30 infographics used in this book have already been printed in leading German newspapers and magazines. We would like to thank our partners for their permission to use the graphics in this book. We have therefore had to update, rebuild and translate all of the graphics.

Five infographics from the chapter ECONOMY are taken from the book »GLOABL ECONOMY«. Reproduction of the graphics with kind permission of Ullstein Verlag (Econ) and WORKMAN (The Experiment).

Six infographics from the chapter SOCIETY are taken from the book »Martin Luther and the Reformation«. Reproduction of the graphics with kind permission of the State Office for Heritage Management and Archaeology Sachsen-Anhalt, Germany.

Five infographics from the chapter CULTURE & ARTS are taken from the concert season programme 2014-2015 of the Bavarian Radio Symphony Orchestra in Munich.
